**The Big Book of Numerology: The Hidden Meaning of Numbers and Letters**

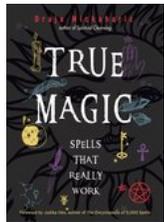

*Weiser Big Book*

Shirley Blackwell Lawrence

This is unlike any other book on numerology, because it reveals the science behind this ancient mystical art and explains why it works. It is also the first book to present a thorough explanation of the numbers and letters, starting with their origins - the how and why of their design - and exploring their nature in names and language. In addition, it introduces the Inner Guidance Number, a powerful tool for accessing our inner knowing.

**Spiritual Gold:** Who Are We? Why Are We Here? What Is It All About?

Pauline Delcour-Min

Spiritual Gold is a wonderful book about past lives. It shares the treasures of a soul's journey through time and introduces us to angels and inner guides. The past life memories in the book have been retrieved through regression and stretch back over 10,000 years. They include hearing Jesus speak, and reveal his lost teachings of reincarnation; they take us to other worlds and reveal the secret of the Sphinx. But understanding the ... [more](#)

**The Old is New :** A New Look at Who and What We Are

L R Sumpter

In the course of writing this book, answers to the following questions and many others were given in both narrative and visual form. Most of them were presented rather forcefully, and not when I was expecting them. I understood that I was to share what I learned. What is in store for the geology of North America? How do we create matter every day? What is the nature of nature? How did people live more than a half million years ago? ... [more](#)

**Heaven Here on Earth :** Explore How & Why Haven is Accessible to Us

Curt Mellinger

While attending catechism class as a child, Curt Mellinger was taught that if he obeyed the rules all his life he would be allowed to enter a place called Heaven when he died. The priest and nuns described it as a sacred abode up in the clouds that contained all of the very best things in the universe. There was sunshine and blue sky, pretty flowers and double rainbows, peace and happiness, ringing bells and beautiful music, saints and angels, and ... [more](#)

**Project Blue Book:** The Top Secret UFO Files that Revealed a Government Cover-Up

*Mufon*  
Brad Steiger, Donald R Schmitt

Throughout the 1950s and 1960s, while publicly dismissing the existence of UFOs, the United States Air Force was engaged in a secret program for evaluating every report of unidentified flying objects. Under the code name, Project Blue Book, the Air Force analyzed over 13,000 incidents. The goal of this enterprise was threefold: To determine the cause for each UFO sighting, to assess the security threat for each incident, and to determine ... [more](#)
