*Wills/Estates*

G Edmond Burrows 

How do you know that when you're gone your estate will be settled quickly and easily, your wishes will be followed, and it'll be simple for the loved ones you left behind?

The answer is, you don't. But, you can make your wishes known and lay things out so that it's much more likely to be a quick, easy estate dealt with the way you wish, if you use this inexpensive and thorough kit. Keep everything in one place, speed up any settlement, and save costs.

This kit combines the ideas in several of SCP's current kits and will include a will, powers of attorney, checklists, and information for those dealing with estates before and after a death.
